# Teach Less Learn More

## Learning from Singapore: the Power of Paradoxes

### Chapters 6 and 8

By Pak Tee Ng (2017)

**Teach Less Learn More!**

**If we teach less but teach better,  
students will learn more and learn better.**

(Pak Tee Ng)

## **Teach Less Learn More!**

More teaching... more of the same teaching...  
more of the same teaching that did not work...  
is not exactly the way to inspire better learning.

(Pak Tee Ng)

**Teach Less Learn More!**

**From  
“how do I teach”  
to  
“how do I help students learn”?**

(Pak Tee Ng)

Our experiences suggest that it is essential to challenge our thinking regarding what effective teaching methods are and the way creativity can be developed in our students.
